

## HELP END HUNGER!

For over 8 years Families Helping Families Houston has had one mission and vision; to reduce food insecurities for needy families in Fort Bend County. What makes Families Helping Families Houston unique is the support from Fort Bend county church's, community groups and charitable organizations, along with major contributions.

# FAMILIES HELPING FAMILIES HOUSTON 2022

Families Helping Families Houston is a nonprofit organization created to provide local families, in need, with a weeks worth of groceries during the Thanksgiving holiday.

Established in 2013, FHF Houston has delivered groceries to more than 800 families.

On Saturday November 22, 2021 a historical event took place in the parking lot of the Fort Bend ISD George Bush High School and it could not have happened without the enormous and generous contributions and donations of the Fort Bend County community. One donation of \$150 provides 3 meals a day for 7 days. It also includes a traditional Thanksgiving meal, with a turkey, ham, and a whole chicken.

# MISSION

---

“WE NEED TO GIVE BACK TO OUR COMMUNITY.”  
QUINCY COLLINS - FOUNDER OF FHF HOUSTON

If three-thousand (3,000) families donate \$150.00 each, we could reach our goal and continue our mission in providing a happy holiday to those going through financial hard times. That adds up to about forty-one cent (41¢) a day.

FAMILIES HELPING FAMILIES

Has Been Recognized By Congress

Serving the Houston  
area for the past  
**8 years**

This year's goal is  
**3,000 families**

Help us reach our goal  
of **\$450,000**

Families are carefully preselected by local law enforcement and school counselors and chosen prior to the distribution of groceries, for the program. Our target recipients are those within our community, specifically children in our local school districts.
